COMMON QUESTIONS

How much does a Claude or ChatGPT rollout cost? From \$12,500 for up to 25 users, delivered in 2 to 3 weeks; each further 25 users adds \$2,500. Connecting the workspace to Salesforce or HubSpot is the CRM Connector Fast Start, from \$15,000.

Claude or ChatGPT: which do you recommend? It depends on the use cases and your existing stack. We are partners of both and recommend per use case in the AI Readiness Assessment.

Standard on every package. Every Launch package includes a named senior consultant from kickoff to go-live, a written project plan, weekly status, build and test in a sandbox where the platform has one, one UAT cycle, admin documentation, recorded training and 30 days of hypercare. Never included: software licenses, custom code unless listed, integrations not named, content beyond the numbers listed, legal or compliance approval, on-site work and travel.
